

Dear Parents & Students,

Creating a safe learning environment is a critical part of helping every child achieve academic success. The Safe Oregon Tip Line is a system that students can use to report school safety concerns or threats. Safe Oregon will give your child a safe, confidential and efficient way to communicate with our school administration if school safety incidents should occur.

How does the Safe Oregon Tip Line work?

Students can access the Safe Oregon system through a link on our school web site or they may go directly to the safeoregon.com web site. Tips can be submitted through the web form on the Safe Oregon web site, or by text, email, live call and mobile app.

Why is there a need for a tip line system?

The number one reason why children do not report is the fear of retaliation from their peers. The Safe Oregon Tip Line can be accessed from the privacy of a phone, home computer or other Internet equipped device, eliminating the possibility of being identified by another student and thus, increasing the likelihood that a school safety threat would go unreported.

I encourage you to learn more about the Tip Line by visiting the Safe Oregon web site at www.safeoregon.com.

Sincerely,

Joseph M. Wehrli
Superintendent
St Paul School District
