Important Update on St. Paul District Operations

Dear St Paul Community,

March 16, 2020

I hope this message finds you and your family well and that you have been able to adjust your schedules to accommodate this unprecedented school closure situation.

-Our district buildings, including the batting cages will remain closed to the public with only essential staff allowed to report. Though our track and other outside areas remain open to the public I would ask that all recommended social distancing practices be followed by those who choose to come walk or run on the track. Our buildings are being disinfected this week and we are delivering food boxes to some of our families in need of supplies. If you are in need or know of a family that can use the district support with food during this closure please contact the school at 503-633-2541 we will do everything we can to support our community during the closure.

Please keep watching our website for updates.

Sincerely,

Joseph M. Wehrli

Actualización importante sobre las operaciones del distrito de San Pablo

Estimado Comunidad de San Pablo,

16 de marzo de 2020

Espero que este mensaje los encuentre bien a usted y a su familia y que haya podido ajustar sus horarios para acomodar esta situación de cierre escolar sin precedentes-Los edificios de nuestro distrito, incluidas las jaulas de bateo, permanecerán cerrados al público y solo el personal esencial podrá informar. Aunque nuestra pista y otras áreas externas permanecen abiertas al público, pediría que todas las prácticas recomendadas de distanciamiento social sean seguidas por aquellos que eligen caminar o correr en la pista. Nuestros edificios están siendo desinfectados esta semana y estamos entregando cajas de comida a algunas de nuestras familias que necesitan suministros. Si necesita o conoce a una familia que pueda usar el apoyo del distrito con alimentos durante este cierre, comuníquese con la escuela al 503-633-2541 y haremos todo lo posible para apoyar a nuestra comunidad durante el cierre.

Por favor, siga viendo nuestro sitio web para actualizaciones.

Sinceramente,

Joseph M. Wehrli
