I have read the Student Medication Policy and understand that if my student needs to take any medication during the school year, I must personally bring the medication into the office and fill out a medication form, even for over the counter (OTC) medications. I understand that students (grade 9-12) are permitted to self-medicate with permission from me (the parent), the principal, and the doctor (for prescription medications). I understand that the prescription must be in its original bottle with the pharmacy label and I will need to fill out and sign a Medical Authorization form before the school will administer the medication.
