Location: _____

I understand my responsibilities as chaperone include, and are not limited to the following:

- 1) I am responsible for supervising all students assigned to me for the duration of the field trip.

- 3) I may not bring other children to attend the field trip (e.g. siblings).
- 4) I am required to ride the bus, with my assigned students, to and from the field trip, unless lack of space on the bus results in the need for me to provide my own transportation.
